

Sarix Value 2 Series

Security made simple

2 MP

5 MP

Simplify your security without sacrificing quality with Pelco. The Sarix Value 2 Series gives you the features you need at a price you want so that you can expand your coverage without increasing your budget. No frills, just security.

Focus on what matters most

This camera provides necessary alerts, notifying you if someone enters the scene or attempts to tamper with the device, keeping your security simple and focused on what truly matters.

Easily connect to protect

Eliminate the stress that comes from your security setup. Install and activate your Value 2 Series camera on your existing video management system with ease.

Security that shines

Use the camera's built-in white light¹ to deter unwanted activity and enhance recognition for your security teams.

Never miss a moment

Outages can leave your site vulnerable. Protect your security with uninterrupted operations even during power disruptions.

Flexible deployment

Available in bullet, wedge, indoor or outdoor variants, find the camera that best suits your site.

For more information visit the [indoor](#) or [outdoor](#) dome webpage.
